SECTION A - SUPPLEMENTAL INFORMATION
THE PURPOSE OF THIS AMENDMENT IS AS FOLLOWS:

1. The Government has determined that, prior to contract award, access to ground vehicles located at Warren, MI or rotary wing helicopters at Huntsville, AL is no longer required. The PADS TM and installation kit drawings, attached to the basic solicitation as reference documents, provide sufficient information for preliminary design/cost estimation of the IPADS installation kits and for the interface/interoperability requirements stated in paragraphs 3.4.1 and 3.4.2 of MIL-PRF-52955C. Access to ground vehicles and rotary wing helicopters along with currently available technical data (drawings/specs) necessary for detailed design of IPADS installation kits will be made available to the contractor after contract award (reference paragraph 3.1.2 of the IPADS Statement of Work).
2. Offerors are reminded that the Preliminary Hazard Report and Battery Approval Request are required to be submitted with proposals.
3. A correction to the specification MIL-PRF-52955C Table 7 pertaining to section 3 requirements 3.1 through 3.3.10.2 is attached.
